¿Qué?

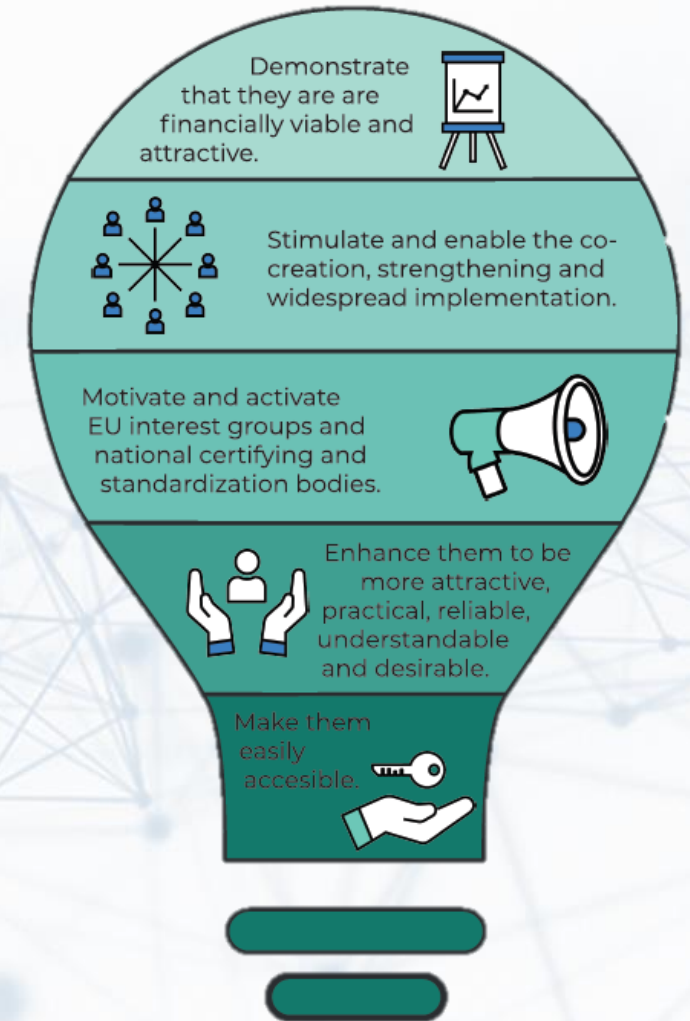

El objetivo principal es promover comunidades energéticas locales facilitando el tránsito hacia intercambio de energía peer-to-peer.

¿Cómo?

*El **apoyo** a las comunidades energéticas peer-to-peer de nueva generación en Europa se hará mediante:*

- ***Demostrar.***
- ***Estimular y facilitar.***
- ***Motivar y activar.***
- ***Promover.***
- ***Mejorar.***

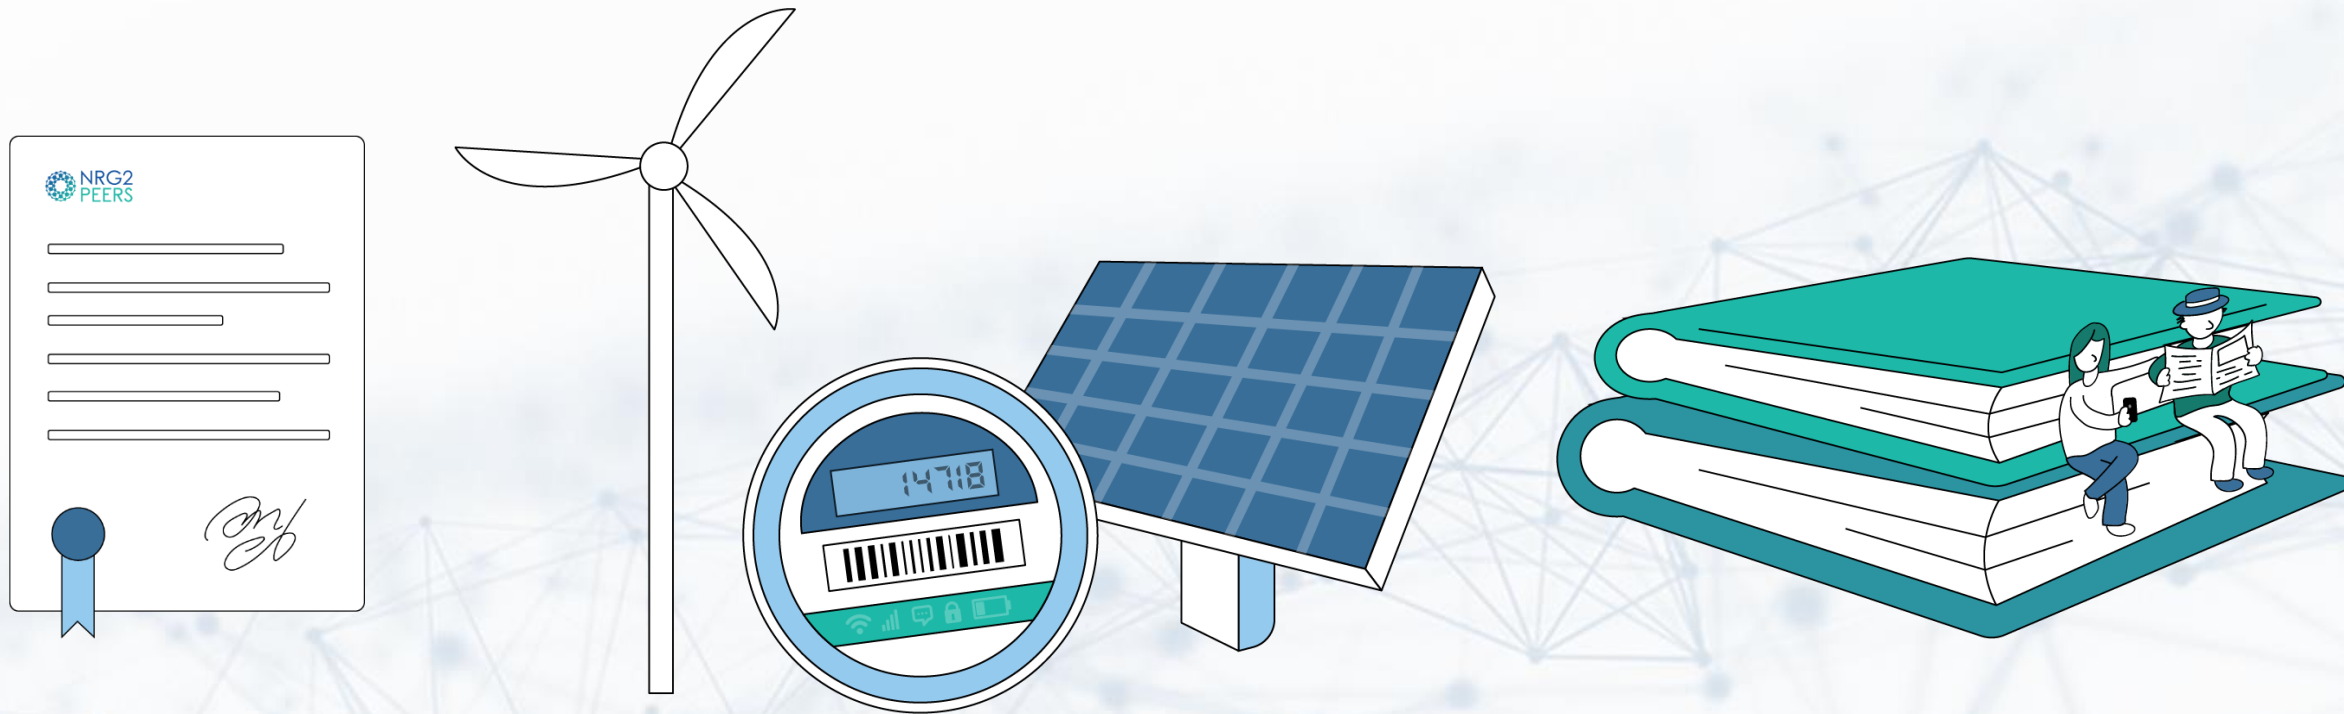

La plataforma

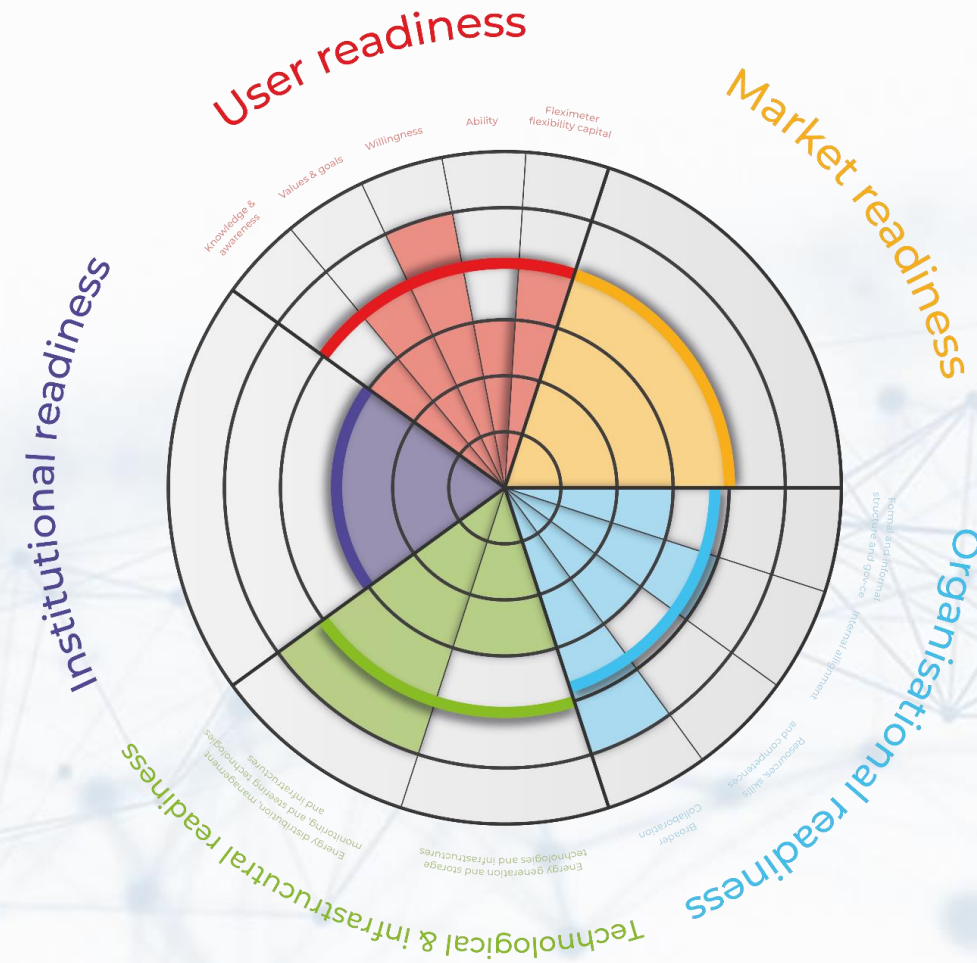

*El proyecto está desarrollando una **plataforma gamificada** que apoyará a las comunidades energéticas residenciales a mejorar su eficiencia energética y a integrar mayor cantidad de energías renovables.*

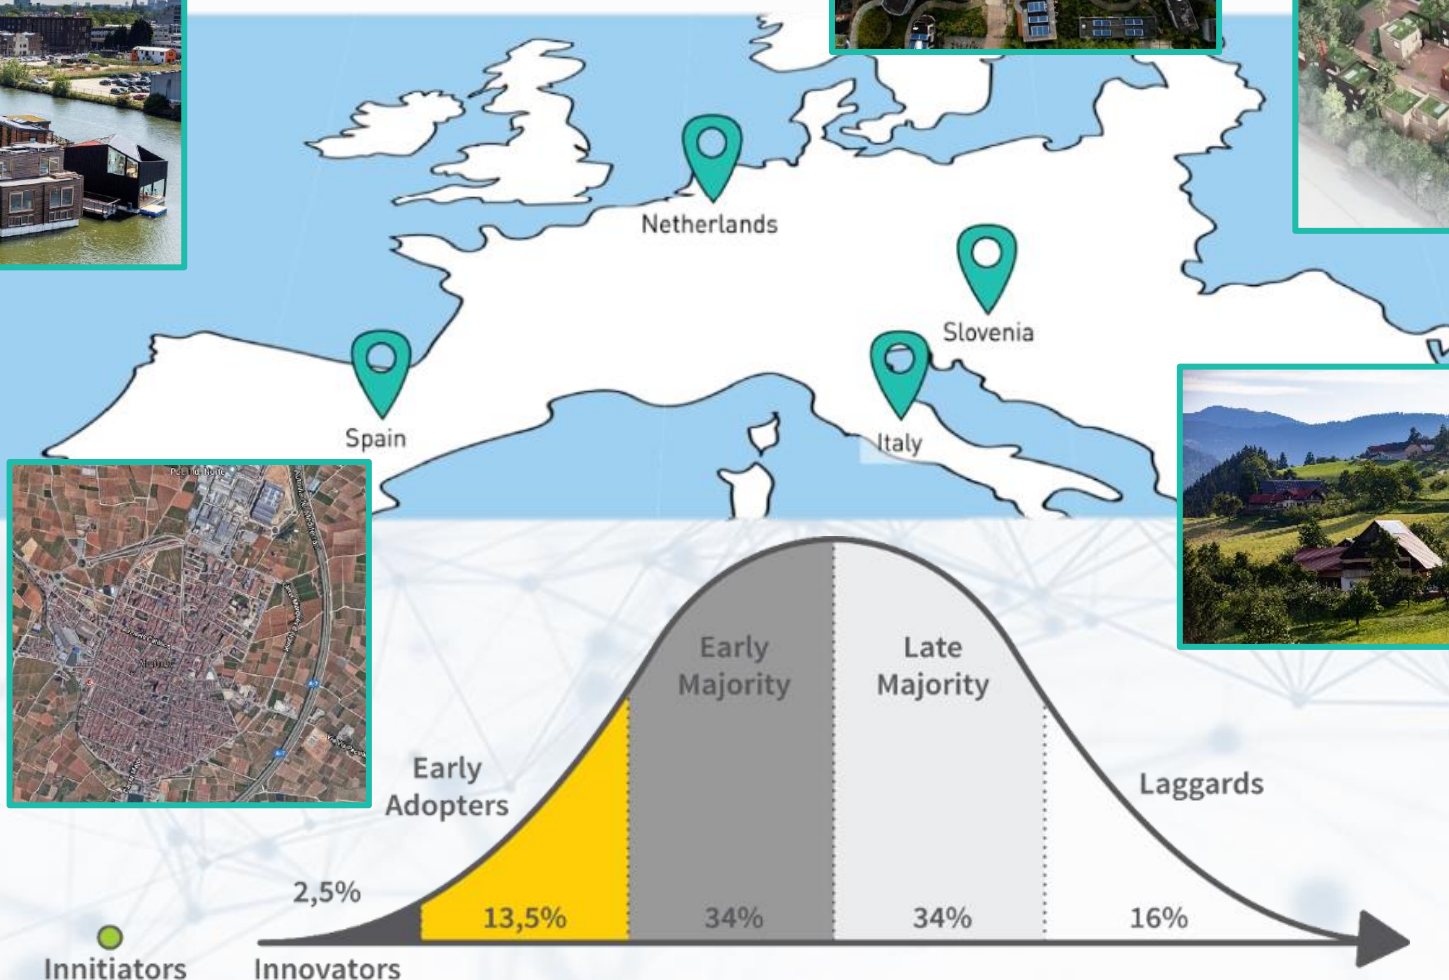

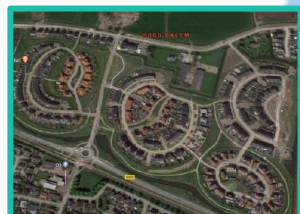

Desarrollo multidimensional

Ecosistema europeo

Energy Communities Hub

The screenshot shows the Energy Communities Hub website. The header is dark blue with the logo on the left and navigation links (HOME, PROJECTS, FORUMS, NEWS & ARTICLES, EVENTS, ABOUT, CONTACT) in the center. A search bar and a 'by HOUSING EUROPE' logo are on the right, along with a 'LOGIN' button. A left sidebar contains a 'GET INSPIRED' section with a search bar and filter categories: 'Categories', 'Country', and 'Scale'. Below these are checkboxes for 'EU funded projects', 'Our Homes Our Deal', 'Responsible Housing Awards', 'Special mentions', and 'Energy Communities hub'. A 'FILTER' button is at the bottom of the sidebar. The main content area features a map of Europe with red location pins. Above the map are 'GRIDVIEW' and 'MAPVIEW' tabs. To the right of the map is a 'LATEST' section with two featured articles: 'BRIXTON ENERGY – SOCIAL HOUSING TENANTS FROM ENERGY OWNERSHIP TO A P2P NETWORK' and 'RENEWABLE ENERGY COMMUNITY OF MAGLIANO ALPI'. The footer includes the NRG2 PEERS logo, the European Union flag, and a text block about funding from the European Union's H2020 framework.
